

Abington Pediatric Grand Rounds (July 2025-June 2026) The Face of Hope: An Overview of Craniofacial Conditions - 9/16/2025

This is a clinical lecture series held monthly for pediatric providers covering new and emerging technologies, information, and clinical care guidelines.

Objectives

- 1 1. Discuss the diagnosis of cleft lip and/or cleft palate, including risk factors for developing the condition
- 1 2. Describe the benefits of team-based cleft and craniofacial care, including the roles of surgical and nonsurgical specialists.
- 2 3. Explain the indications and timeline for surgical intervention for cleft lip, cleft palate, microtia, and other common craniofacial anomalies.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: This educational activity is designated for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
