

Einstein Jefferson Psychiatry Grand Rounds Series (July 2025-June 2026) Long COVID, Longer Recovery: A Psychiatric Approach to the Evaluation and Management of Long COVID

This weekly presentation occurs from October to June and will provide education to MDs, psychologists, medical student, nurses, and other mental health providers.

The content covers a wide spectrum of topics designed to support the practicing psychiatrist and mental health provider. Topics include pharmacology, anatomy, physiology, communication, individual and group psychotherapy techniques, and system issues.

These presentations emphasize skills in working with diverse populations.

Objectives

- 1 Explain neuropsychiatric complications of Long COVID
- 2 Review relevant screenings and evaluation approaches for patients presenting with neuropsychiatric symptoms consistent with Long COVID
- 3 Identify appropriate treatment modalities for patients with Long COVID

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: This educational activity is designated for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Psychologists: The activity awards 1.00 credit(s).
