Sickle Cell Disease ECHO Clinic Conference Series (July 2026-June 2027)

Sickle Cell Disease ECHO Clinic Conference Series - 11/4/2026

Sickle Cell Disease is the most common of the rare diseases. Despite over 100,000 individuals living with sickle cell disease, here is a lack of providers knowledgeable in the management of sickle cell disease. This barrier to accessing quality evidence-based care leads to poor patient outcomes and poor utilization.

This series aims to address the paucity of sickle cell knowledge among healthcare providers and team members who provide care for patients with sickle cell disease by providing information and development activities to promote quality improvement in sickle cell disease care.

Sickle cell providers who participate will receive knowledge and tools necessary to deliver effective, evidence-based care by affecting healthcare practices at the level of the individual and the larger health system.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: This educational activity is designated for a maximum of 1.25 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity awards 1.25 nursing contact hour(s).
