Educational Objectives

At the completion of this program, participants should be able to:

1. Develop a differential diagnosis for new onset tachypnea in newborn nursery
2. Recognize early clinical and laboratory signs of inborn errors of metabolism
3. Discuss the acute management and stabilization of neonates with suspected inborn errors of metabolism

For questions about this educational activity, please call 215-481-4986.
For questions concerning CloudCME functionality, please call 215-955-6992.

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians: This educational activity is designated for a maximum of 1.00 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
