Pharmacotherapy Lecture Series 2026-2027

Pharmacotherapy Lecture Series 2026-2027 - 11/3/2026

The continuing education lecture is a structured education activity designed or intended to support the continuing development of pharmacists and/or pharmacy technicians to maintain and enhance their competence.

Objectives

1 Assess thromboembolic and recurrent bleeding risks when considering anticoagulation resumption.
1 Evaluate clinical factors that influence the severity and management of anticoagulation-associated intracranial hemorrhage
3 Differentiate evidence-based strategies for resuming anticoagulation following gastrointestinal bleeding
4 Apply evidence-based recommendations to develop an individualized anticoagulation resumption plan.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Thomas Jefferson University is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Pharmacists: This knowledge-based continuing education activity is designated for 1.00 contact hour(s) of continuing education credit. JA# 390174

Credits will be uploaded to CPE Monitor within 60 days following the completion of this activity.

This statement contains information provided to NABP from the Accreditation Council for Pharmacy Education (ACPE) via CPE Monitor®. ACPE policy states paper and/or electronic statements of credit may no longer be distributed directly to

learners as proof of ACPE credit. The official record of credit may be located in the learner's e-profile in CPE Monitor®.
