Company Name: Cerapedics

Address: 11025 Dover Street  
Suite 1600  
Westminster, CO 80021

Representative(s):

Omar Mehdi	omehdi@cerapedics.com
Lori Temperato	ltemperato@cerapedics.com

Company Description:

Cerapedics is an advanced orthobiologics company with i-FACTOR® Peptide Enhanced Bone Graft.

Among 400+ spinal bone grafts on the market, spine surgeons can feel confident in choosing i-FACTOR Peptide Enhanced Bone Graft, backed by Level 1 human clinical data from an IDE study published in Spine and Neurosurgery. In this study, i-FACTOR demonstrated high fusion rates and statistical superiority vs. autograft in overall clinical success.

One of only two Class III FDA-PMA approved spinal bone grafts, i-FACTOR is the leading evidence-based alternative powered by a molecule called P-15: Osteogenic Cell Binding Peptide™. i-FACTOR is free of many safety risks seen with other products such as ectopic bone formation and, on average, costs at least 30% less expensive than other drug-device combination products with spinal indications.
