

Exhibitor Prospectus

Advances in Nephrology & Kidney Transplantation 2025

Join us! On behalf of the Department of Medicine and the Department of Surgery at Sidney Kimmel Medical College of Thomas Jefferson University, along with our course directors Dr. Pooja Singh, Dr. Maitreyee Gupta, Dr. M. Paula Martinez Cantarin and Dr. Gitana Bradauskaite, Enterprise Director, Kidney Transplant Services; Medical Director, Kidney & Pancreas Transplantation, we would like to invite you to participate as an exhibitor at Advances in Nephrology & Kidney Transplantation 2025.

This event will be held on Friday, September 19, 2025.

While the symposium itself will be conducted virtually, a special feature of this year's event is the in-person Watch Party on our campus. This gathering will bring together our faculty, staff, residents, and fellows from the sponsoring departments and will serve as the primary venue for exhibitor interactions. This format provides a unique opportunity for you to engage directly with attendees and our course directors, fostering meaningful connections and discussions.

The conference will provide a comprehensive update on the diagnosis and management of diabetes, combining evidence-based medicine with clinical experience. Topics will include exploring evolving donor trends, surgical and medical advances in kidney and liver transplantation, innovations in managing CKD and transplant care, and collaborative strategies to improve outcomes through dialysis alternatives and primary care engagement.

As an exhibitor, you will have the valuable opportunity to showcase your products and services directly to specialists in Nephrology, Surgery, Internal Medicine, and other fields.

To foster interaction between attendees and exhibitors, attendees will be asked to visit each exhibit booth to collect signatures and participate in an exhibitor raffle. Prizes will be awarded at the conclusion of the conference, offering participants the chance to win various prizes. Please note that exhibit funds will not be allocated towards the raffle prizes and giveaways; instead, institutional and registration funds will cover these expenses. For more information on the benefits included in the exhibit opportunity, please refer to the details in the prospectus below or on the course page.

We look forward to your participation in this impactful and engaging event. If you have any questions, contact me directly.

Thank you,

Deana

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/FormW9.

What's New

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form
