8th Annual Lung Cancer Screening Summit

October 1, 2026 | Dorrance H. Hamilton Building | Philadelphia, PA

Join Course Directors Julie A. Barta, MD, ATSF, Nathaniel R. Evans, III, MD, FACS, FCCP, Gregory C. Kane, MD, MACP, and Christine S. Shusted, MPH from Jefferson Health for the 8th Annual Lung Cancer Screening Summit.

The 8th Annual Lung Cancer Screening Summit aims to review the latest knowledge and research advances in the field by bringing together a multi-disciplinary group of physicians, nurses, program coordinators, researchers, and other experts.

The vision for the Jefferson Health Annual Lung Cancer Screening Summit is to develop a nationally recognized educational program that brings together clinicians and researchers focused on early detection of lung cancer.

Why Exhibit?

Market your organization and raise brand awareness with experts in the healthcare community.

Insight

Engage in meaningful discussions with health professionals about the issues, trends, and innovations that are happening in pharmaceuticals and medical devices.

Network

Enhance relationships and elevate your company's exposure while making new contacts.

Product Demonstration

Introduce health professionals to new products and cutting-edge technology offered by your company.

The exhibit hall will be open throughout the entire conference with designated times for participants to visit. Please review the accompanying schedule and exhibitor information.

This information can also be found on the course webpage:
