Endoscopy Reboot - Refresh and Recharge Your Skills**Saturday, November 7, 2026****Jefferson Alumni Hall, Thomas Jefferson University****Philadelphia, PA 19107**

Dear Exhibitor,

Endoscopy Reboot - Refresh and Recharge Your Skills is a new, hands-on educational course designed to provide gastroenterologists with practical training in advanced endoscopic techniques through expert-led instruction and interactive learning. Taking place on November 7, 2026, at Jefferson Alumni Hall in Philadelphia, PA, this one-day program will be led by Thomas E. Kowalski, MD, FASGE, FACG and Rishi Pawa, MD.

Designed as an intimate educational experience, the course emphasizes hands-on learning, small-group interaction, and practical, discussion-driven education. With fully operational hands-on stations and approximately 30 physician attendees, the meeting offers a unique opportunity for meaningful engagement between faculty, participants, and industry partners.

As an exhibitor, your company will have the opportunity to showcase its products and services to a targeted audience of gastroenterologists from the Philadelphia region and surrounding private practices. This focused setting provides direct access to physicians seeking the latest innovations in gastrointestinal endoscopy while helping build lasting professional relationships that support improved patient care.

A single exhibitor opportunity is available at \$5,000, providing your company with direct interaction with attendees throughout the course and the opportunity to support the inaugural Endoscopy Reboot - Refresh and Recharge Your Skills meeting.

In addition, we are pleased to offer a 30-minute Product Theater opportunity during the scheduled break/lunch period. This exclusive opportunity will allow your company to showcase its product directly to course attendees, with the participation of our expert faculty and course team. The Product Theater provides an excellent platform for focused product education, discussion, and engagement with gastroenterologists in an intimate, interactive setting. The investment for this opportunity is \$10,000.
