

## Jefferson Interstitial Lung Disease Symposium 2023 Tuesday, September 12, 2023

Join us for *Jefferson Interstitial Lung Disease Symposium 2023*. This *virtual* multidisciplinary symposium will provide clinicians with in-depth and interactive sessions on the critical aspects of care for patients with fibrotic interstitial lung diseases (ILDs). Sessions will cover advances in diagnostics of ILD, management of acute ILD exacerbations, and what's new in lung transplantation for patients with advanced ILD. How to provide supportive and palliative care will also be discussed.

All practitioners who care for patients with fibrotic interstitial lung diseases (ILDs) would benefit from this symposium to include those in internal medicine, hospital settings, and pulmonary and critical care.

As an exhibitor at this symposium, you can:

- Build brand awareness
- Generate quality leads and enhance customer relationships
- Collaborate with experts and healthcare providers
- Introduce new products and cutting edge technology

The symposium has built into the agenda time for attendees to visit your virtual exhibit booth:

• 2:25 PM- 2:45 PM

This Symposium will occur during Pulmonary Fibrosis Awareness Month along with other educational and promotional activities. This includes a separate *in-person* activity for patients and their caregivers. The event will cover important topics related to the diagnosis, treatment and management of ILD, and provide a venue for participants to ask questions and share stories about their disease.

The activity has built into the agenda time for patients/caregivers to visit your in-person exhibit booth:

- 11:30-11:45 AM
- 12:15-12:30 PM

The fee to exhibit is \$2,500. This fee includes the virtual exhibit hall for healthcare providers *and* the in-person support group meeting.

For information about the benefits included in the exhibit package, please review the exhibitor prospectus details in the following pages.

We hope you will join us as an exhibitor for these activities that educate both providers and patient/caregivers. Please contact me with questions or for additional information.
